Gm Dm Gm Dm  
The Diamond is a ship, me lads, From Greenland she is bound  
Gm Dm Bb F Gm  
And the quay it is all garnish-ed, With bonnie lassies 'round  
Captain gives the orders, To sail the ocean wide  
And the sun it never set, me lads, Or darkness fills the sky

Gm Dm Gm Eb Gm  
So cheer up my lads, Let your heart never fail  
Bb F Dm Bb F Gm  
For the bonny ship, the Diamond, Go fishin' for the whale

## Instr. kurz

Along the quay of Peterhead, The lassies stand around  
With their shawls around their heads, And salt tears runnin' down  
I'll never grieve my bonny lad, Although I'm left behind  
For there's not a rose in Greenland's ice, To make you change your mind

## Chorus + Instr. like Intro 2x

Here's a health to the Resolution, Likewise the Eliza Swan  
Here's to the Battler of Montrose, And the Diamond, ship of fame  
We'll wear the trousers of the white, Jackets of the blue  
And when we (STOP!!) return to Peterhead, We find that we've been true

## Chorus (stop on "for the whale") + 2x A + 3x B + Akkordeon Break

It will be bright both day and night, When the Greenland lads come home  
With the ship all full of oil, me lads, And money to their name  
We'll make the cradles for to rock, Blankets for to tear  
And every lass in Peterhead, Sing: "Hushabye, my dear"

## Chorus 2x (beim 2. stop on "fail") + 3x A --> Gm
