

# The May Day Carol

Hm                      A        Hm                      D  
 Awake ye pretty maids, awake, refreshed from drowsy dream

Hm                      A        Hm                      G  
 And haste to the dairy house and take for us a dish of cream

If not a dish of yellow cream, Then grant us kisses three  
 The woodland bar is bright With fleur and green on every tree

A branch of may we bear about, Before the door it stands  
 There's not a sprout unbudded out By the work of our Lord's hand

Awake, awake ye pretty maids And bring your Maybach sheen  
 Or 'twill be gone 'ere tomorrow morn And you'll have none with 'ee

Instrumental over Verse 2x

(ohne drums)

Throughout the night before the light There fell a dew or rain  
 It twinkles bright on May bush white It sparkles on the plain

I been a rambling all this night And some time of this day  
 And now returning back again I brought you a branch of May GGGG !!!

(mit drums)

My song is done, I must be gone Nor can no longer stay  
 God bless you all, both great and small And grant you a glad summer
