

Marie's Wedding

G C D G C D

G C D G C D

Step the gaily on we go
Heel for heel and toe for toe
Arm and arm and row and row
All for Marie's wedding

Over Hillways up and dow
Myrtle green and bracken brown
Past the sheilings through the town
All for the sake of Marie

Red her cheeks as rowan's are
Bright her eyes as any star
Fairest of them all by far
Is our darlin' Marie

Plenty herring plenty meal
Plenty peat to fill her kreeel
Plenty bonnie bairns as well
That's the toast for Marie
