

Carol Of The Bells

Am

Hark! how the bells

F

All seem to say

Am

Christmas is here

F

To young and old

G

Sweet silver bells

Em

"Throw cares away."

G

Bringing good cheer

Em

Meek and the bold

Ding, dong, ding, dong

With joyful ring

One seems to hear

From ev'rywhere

That is their song

All caroling

Words of good cheer

Filling the air

Oh how they pound

O'er hill and dale

Joyf'ly they ring

Songs of good cheer

Raising the sound

Telling their tale

While people sing

Christmas is here

Merry, merry, merry,

Merry, merry, merry,

merry Christmas

merry Christmas

On, on they send

Their joyful tone

On without end

To ev'ry home

Ah, ah, ah

Ding-dong, ding-dong

Ding-dong, ding-dong

(Repeat from the beginning)
