

## Nancy Spain

Intro **D E A** 2x

**A**

Of all the stars that ever shone

**D A E**

Not one does twinkle like your pale blue eyes

**D E A**

Like golden corn at harvest time your hair

**A D A E**

Sailing in my boat the wind Gently blows and fills my sail

**D E A**

Your sweet-scented breath is everywhere

Daylight peeping through the curtain

Of the passing night time is your smile

And the sun in the sky is like your laugh

Come back to me my Nancy

Linger for just a little while

Since you left these shores I've known no peace nor joy

**A D E**

No matter where I wander I'm still haunted by your name

**D E A**

The portrait of your beauty stays the same

**A D A E**

Standing by the ocean wondering where you've gone, if you'll return again

**D E A**

Where is the ring I gave to Nancy Spain?

On the day in Spring when snow starts to melt and streams to flow

With the birds I'll sing this song then in the while I'll wander

Down by bluebell stream where wild flowers grow

And I'll hope that lovely Nancy will return

Chorus + Instr. over Verse + Chorus --> where is the ring ....
