

## Flower of Scotland

F

O flower of Scotland

C

F

When will we see your like again

Bb

F

That fought and died for

C

G

Your wee bit hill and glen

Bb

F

And stood against him

Bb

F

Proud Edward's army

Bb

F

And sent him homeward

Cm

F

Tae think again

The hills are bare now

And autumn leaves lie thick and still

O'er land that is lost now

Which those so dearly held

And stood against him

Proud Edward's army

And sent him homeward

Tae think again

Those days are passed now

And in the past they must remain

But we can still rise now

And be the nation again

That stood against him

Proud Edward's army

And sent him homeward

Tae think again
