G C D  
As I went down through Glasgow city  
G C D  
Just to see what I might spy  
G C D  
What should I see but Nancy Whiskey  
G C D  
A playful twinkle in her eye  
G C D  
Whiskey, Whiskey, Nancy Whiskey  
G D G  
Whiskey, Whiskey, Nancy Ohh

I bought her, I drank her, I had another  
Ran out of money, so I did steal  
She ran me ragged, Nancy Whiskey  
For seven years, a rollin' wheel

Whiskey, Whiskey, Nancy Whiskey  
Whiskey, Whiskey, Nancy Ohh

The more I held her, the more I loved her  
Nancy had her spell on me  
All I knew was lovely Nancy  
The things I needed I could not see

Whiskey, Whiskey, Nancy Whiskey  
Whiskey, Whiskey, Nancy Ohh

### Instrumental

As I awoke to slake my thirst  
As I tried crawling from my bed  
I fell down flat, I could not stagger  
Nancy had me by the legs

Whiskey, Whiskey, Nancy Whiskey  
Whiskey, Whiskey, Nancy Ohh

Come on landlandy, what's the owing  
Tell me what there is to pay  
Fifteen shillings that's the reckoning  
Now pay me quickly and go away

Whiskey, Whiskey, Nancy Whiskey  
Whiskey, Whiskey, Nancy Ohh  
Whiskey, Whiskey, Nancy Whiskey
