Make way for the Molly Maguires
F *G* *C*
They're drinkers, they're liars but they're men
C *G*
Make way for the Molly Maguires
F *G* *C* *G*
You'll never see the likes of them again

AmAmAmAm

Am *C*
Down the mines no sunlight shines
C *G* *Am*
Those pits they're black as hell
C *F*
In mud and slime they do their time
C *G* *C*
It's Paddy's prison cell
Am *Em*
And they curse the day they've travelled far
F *G*
Then drown their tears with a jar ...So...

Chorus

Instrumental over Verse

Chorus *AmAmAmAm*

Backs will break and muscles ache
Down there there's no time to dream
Of fields and farms, of women's arms
Just dig that bloody seam
Though they drain their bodies underground
Who'll dare to push them around

Chorus (ohne *G* Auflösung)

Chorus *AmAmAmAm*
