EEEE      HHHH      AAAA                      AAAA  
I saw you on top,      I saw you on the floor.  
I won't talk to you any more.  
Love is gone, faded away  
You do no harm, ain't much to say, and I sing

EEEE              HHHH      AAAA      AAAA

You look like a shrub,    baby.  
And I am tree and beautiful flowers  
you look like a shrub, oh bayáyayayayayay  
you look like a shrub baibäiä.

""Say it with flowers"" , that's what you said  
and now, i give it back.  
Green your face and engrained  
less leaves top, slack stamen    ...and I sing

You look like a shrub, baby.  
And I am tree and beautiful flowers  
you look like a shrub, oh bayáyayayayayay

And last night the stars were bright, my final fight, oh dynamite.  
Like your fright my lousy knight, get out of sight my looney mate.  
Call me 3071730 and tell me why
